

Senior Project Proposal Form

Submit this completed project proposal form to Ms. Simmons in 138B or put it in her teacher mailbox. You will receive feedback via email if you have been approved or if your project needs some modification to fit into the scope of the Senior Project Program.

Names:

Title of Project: _____

Student Email Address: _____

Objective of your Project:

What do you want to accomplish by the end of the semester/school year? Be specific in your description.

Outline of Project Plan:

Why will this take you 15 weeks (a semester) to complete? Explain. How will you accomplish the project?

Location:

Where will you work on your senior project? Your mentor needs to be aware of where you are working. You may work in the media center, but must abide by the rules of the media center. If you have questions, please see Ms. Simmons.

Materials:

What materials/resources are important for completion of your project? Are these available during the time you are working?

Timeline/framework:

Type up a DETAILED plan of how you will accomplish your project for each week of the semester. Use the dates given to you for due dates and deadlines. Make sure you include what you plan to accomplish each week. Attach this plan to this proposal.

Mentor:

Who is your mentor? What expertise can they lend to your project? How will you use their expertise on a weekly basis?

Problem you will research:

For your literary review, you need to identify what problem or issue you will research. For example: What role does social media play in marketing? What methods do writers use when planning their story/novel? What would be a better way to create a system of roller coasters so they incorporate maximum thrill and maximum safety? This question is what you will focus all of your research on over the course of the semester.

I agree that my child will work on this senior project during his/her senior year.
