

Weekly Mentor Progress Check

Student name: _____

Mentor Name: _____

Dates of the week: _____

Write a paragraph summary of your weekly progress. Include what you planned, what you accomplished, and what your goals are for next week. Share this with your mentor during your weekly meeting. You must show your mentor evidence of the work you accomplished over the course of the week. Have your mentor complete, sign and date the chart below. If the chart is not completed, you will received a 5/10 for this grade.

I have read the student summary above and verify that we have met and discussed their project progress for the week indicated above. The Senior Project student showed me evidence of their work over the previous week.
