Let’s welcome author/illustrator Grace Lin to Wyngate by showing off our amazing community of artists and writers! Students in kindergarten through third grade can draw a response to the prompt on this side of the page; fourth- and fifth-graders can write a response on the other side. One artist or writer will be randomly chosen from the submitted entries to have lunch with Ms. Lin when she visits on Nov. 30.

FOURTH AND FIFTH GRADES

Jade Dragon stops the rain forever. If you could stop something forever, what would it be and why? If you’d like, you may also illustrate your response.
