Back-to-School Information - August 2023

STUDENT ATTENDANCE

Classes start at 8:15 a.m. and end at 3:00 p.m. Students should be dropped off no earlier than 7:50 a.m. and no later than 8:05 a.m. Students should be picked up by 3:15 p.m. (Classes start at 10:15 a.m. on delayed opening days and end at 12:30 p.m. on early dismissal days).

Leaving School Early: Parents who wish to pick up their child early must present a picture ID and must arrive in the main office by 2:30 p.m. NO early pick-ups will be allowed after 2:30 p.m. (12:00 p.m. on early release days). The bus loop must be cleared before 2:40 p.m. to allow MCPS buses to enter the parking lot.

On the morning of the early dismissal, students should bring in a handwritten and signed note from a parent stating the time he/she will be picked up and the reason. This note is to be given to the secretary in the main office when the student arrives at school. A pass will be given to the student to leave class and be ready in the main office at the desired time. The student must be signed out by a parent/legal guardian. If another relative will be picking up the student, his/her name must be indicated on the note and the named individual will be required to present a picture ID in the main office.

Emails will not be accepted for early dismissal on the day of the dismissal. Please do not call ahead and ask us to have your child “waiting” for you. We will not support your request because we value every minute of instructional time and we must verify the identification of the person picking up the student. Please be advised that we have put this process in place to minimize classroom interruptions and maximize classroom instruction, and for the safety of all students. We appreciate your support and cooperation.

Late to School: Students arriving between 8:15 a.m. and 8:20 a.m. must report directly to class. They will be marked unexcused tardy by the teacher. Students who are late to school three (3) or more times will be issued disciplinary consequences. After 8:20 a.m. students are to sign in at the main office to receive a pass to enter their class. The student must provide a note from their parents/guardians explaining the reason for being tardy. The attendance secretary will code the tardies as excused or unexcused based on the MCPS Attendance Regulations.

Students Absences: Parents should call the school on any day when a student is absent. A note will be required within three (3) days after the child’s return in order for the absence to be excused. Please send the note to the attendance office when your child returns to school. For more information on student attendance, please see pages 11-12 of the Kingsview Student Agenda. If you have any questions, please contact Ms. Marcia Dotson, our new attendance secretary, at 240-740-7130 or via email at Marcia_S_Dotson@mcpsmd.org

STUDENT ONLINE PAYMENTS

SchoolCashOnline is the primary way to pay for your child’s PE uniform, class activities, and field trips. When creating an account, parents will be asked to enter the student’s MCPS ID number. PIN numbers are no longer needed. **Please see the [SchoolCash Online Registration Guide](#) for more information.** If you have any questions, please contact Mrs. Elisabeth Gross, school financial specialist at 240-740-7139 or Elisabeth_Gross@mcpsmd.org. **Activate your [SchoolCashOnline](#) account today!**

STUDENT CAFETERIA ACCOUNT

Parents/guardians are able to fund their child’s cafeteria account by sending a check made payable to Kingsview Cafeteria. Please be sure to include the student’s full name and Student ID number on the check. **Parents are responsible for any negative lunch balance incurred.** Parents will receive a cafeteria account statement via U.S. mail if their child’s cafeteria account has a negative balance. If you have any questions regarding the student cafeteria account, please contact Ms. Jo-an Detzel, cafeteria manager, at 240-740-7134 or at Jo-an_E_Detzel@mcpsmd.org. If your child has special dietary needs, please have your physician complete the [Special Dietary Needs Form](#) and return it to the Kingsview Middle School health room. **For more information, please see the [Cafeteria News](#) or you may visit the MCPS website: <https://www2.montgomeryschoolsmd.org/departments/food-and-nutrition/>**

Parents are also able to fund their child’s cafeteria account using a credit card. *MySchoolBucks* is an optional service for parents to view recent purchases and make prepayment to your child’s cafeteria account for breakfast, lunch, and a la carte meals via the internet with a credit card. You will need a valid e-mail address, your child’s student ID, and a credit card number. **You must enter your child’s name as it appears on the child’s school records.** You may add all your children who attend MCPS on this account. The company charges \$1.95 per credit card transaction. You can request an e-mail be sent to you when your child’s lunch account balance reaches a certain amount. Parents can make one-time payments, or you may choose to enroll on auto-pay to fund the account a set dollar amount each month. You can also set up to fund the account once the account is below a certain dollar amount. This way your child never runs out of money. For questions, please contact MySchoolBucks Support Center at 1-855-832-5226. **Activate your [MySchoolBucks](#) account today!**

Dear Middle School Parent:

Enclosed are route schedules for buses serving your child's school. Please note the appropriate time, location, and route number for your child. Many routes are designed so that students do not need to cross a major roadway to use the bus. This is indicated on route descriptions by "RSO" (right side only) next to the bus stop notation. Parents should not allow their children to circumvent this safety measure by crossing the road to use a different bus stop if there is one on their side of the street. Parents should contact their depot manager if no bus stops on their side of the street. Students should be ready and waiting to board the bus five minutes prior to its scheduled arrival time. Route numbers are displayed on the side window of the bus.

Students who live within 1.5 miles of the school are not eligible for transportation services if age-appropriate walking routes are available. Questions should be referred to the transportation cluster manager who is responsible for your school. Your school or the Montgomery County Public Schools (MCPS) website can provide you with contact information for your transportation cluster manager. Bus stops previously scheduled may have been eliminated or relocated to provide economies in operation. Every effort is made to minimize inconvenience to students and parents; and provide a reasonable level of service. Saving support budget dollars provides more resources for classrooms.

When bus stops are scheduled at intersections, students should stand safely away from traffic, within 150 feet of the stop. *Parents are responsible for maintaining discipline and safety at bus stops.* Students waiting for buses may choose to stand in carports and garages for protection from the elements. This is acceptable only if: (1) it does not alter the route; (2) it does not increase the number of stops; (3) it is acceptable to all parties involved; and (4) it is reasonably close to the regular stop (so that a substitute bus operator, not familiar with special arrangements, may easily locate the students). Please note: bus operators are only authorized to stop at designated stops; do not request unauthorized stops. MCPS realizes substantial fuel and other operational savings by limiting the number of bus stops.

Students who wish to ride home on a friend's bus, or get off their own bus at a friend's stop must bring a note from their parent. Once approved and signed by the principal, the student should give this note to the operator of the bus they will be riding. This practice will normally be approved where space permits.

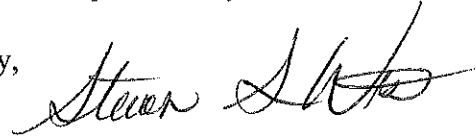

Inclement weather creates many hardships for all. It is not possible to provide additional

transportation during winter months or on rainy days, and for this reason, students should dress accordingly. In case buses are not able to reach designated stops due to snow and ice accumulation, parents are encouraged to make advance arrangements with bus operators so that students who live in these areas can board at alternate locations when necessary.

Appropriate student behavior is important to the safety and comfort of everyone. Parents are encouraged to discuss behavior with their children regularly to reinforce this message. It is important that all students follow the rules stated in "*Ride by the Rules.*" campaign. For more information on this, please visit: <https://www.montgomeryschoolsmd.org/departments/transportation/rules/>. Please note: students should not bring animals, alcohol, tobacco, weapons (including toy or "look-alike" weapons), glass containers, or explosives on the bus.

Student transportation can only operate effectively if we all do our part to make things work. Parental assistance and cooperation are needed to provide a safe transportation system for student riders.

Sincerely,

Steven D. Wise
Acting Depot Manager

Estimados padres de la Escuela Intermedia:

Adjunto enviamos los horarios de las rutas de autobuses que prestan servicios a la escuela de su hijo(a). Por favor tome nota del horario, lugar, y número de ruta que le corresponde a su hijo(a). Muchas rutas están diseñadas para que los alumnos no tengan que cruzar una carretera principal para utilizar el autobús. Esto se indica en las descripciones de las rutas con "RSO" (right side only, en inglés; o sólo a la derecha, en español) junto a la anotación de la parada del autobús. Los padres no deben permitir que sus hijos(as) eludan esta medida de seguridad cruzando la calle para utilizar una parada de autobús diferente si hay alguna en su mismo lado de la calle. Los padres deben ponerse en contacto con el responsable de su parada si ningún autobús tiene una parada en su lado de la calle. Los estudiantes deben estar listos y esperando para subir al autobús cinco minutos antes de la hora prevista para su llegada. Los números de ruta aparecen en la ventanilla lateral del autobús.

Los estudiantes que vivan a menos de 1,5 millas de la escuela no tienen derecho a servicios de transporte si existen rutas a pie que sean apropiadas para su edad. Las preguntas deben remitirse al encargado del grupo de transporte que sea responsable de su centro escolar. Su escuela o el sitio web de las Escuelas Públicas del Condado de Montgomery (MCPS) pueden proporcionarle la información de contacto del administrador de su grupo de transporte. Ciertas paradas de autobuses anteriormente programadas podrían haber sido eliminadas o relocalizadas para economizar en las operaciones. Se hace todo lo posible para minimizar las molestias a los estudiantes y padres y ofrecer un nivel de servicio razonable. Ahorrar dólares de apoyo en el presupuesto permite proveer más recursos a los salones de clase.

Cuando las paradas de autobús están programadas en intersecciones, los estudiantes deberán pararse usando precaución y alejados del tráfico, a menos de 150 pies de la parada. *Los padres son responsables de mantener la disciplina y la seguridad en las paradas de autobús.* Los estudiantes que estén esperando autobuses pueden optar por pararse bajo garajes abiertos y garajes para protegerse de los elementos. Esto es aceptable únicamente si: (1) no altera la ruta; (2) no aumenta el número de paradas; (3) es aceptable para todas las partes implicadas; y (4) está razonablemente cerca de la parada habitual (de modo que un operador de autobús sustituto, no familiarizado con las disposiciones especiales, pueda localizar fácilmente a los estudiantes). Atención: los operadores de autobuses sólo están autorizados a parar en las paradas designadas; no solicite paradas no autorizadas. MCPS obtiene ahorros sustanciales de combustible y otros ahorros operativos al limitar el número de paradas de autobús.

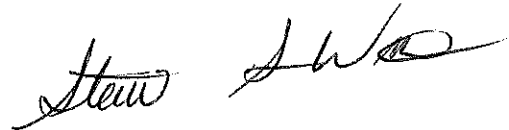

Los estudiantes que deseen viajar a casa en el autobús de un amigo(a), o bajarse de su propio autobús en la parada de un amigo(a) deben traer una nota de sus padres. Una vez aprobada y firmada por el director(a) de la escuela, el estudiante deberá entregarle esta nota al conductor(a) del autobús en que estarán viajando. Normalmente, esta práctica será aprobada cuando el espacio lo permita.

Las inclemencias del tiempo crean muchas dificultades para todos. No es posible proveer transporte adicional durante los meses de invierno o durante días lluviosos, y por esta razón, los estudiantes deberán vestirse debidamente. En caso que los autobuses no puedan llegar a las paradas designadas debido a acumulación de nieve y hielo, se recomienda a los padres que hagan arreglos con anticipación con los conductores del autobús para que los estudiantes que viven en estas áreas puedan subir al autobús en lugares alternativos, cuando sea necesario.

La conducta apropiada de los estudiantes es importante para la seguridad y comodidad de todos. Se recomienda a los padres que conversen acerca de la conducta con sus hijos(as) regularmente para reforzar este mensaje. Es importante que todos los estudiantes sigan las reglas estipuladas en la campaña "*Ride by the Rules*" (*Guiarse por las Reglas*). Para más información al respecto, visite: <https://www.montgomeryschoolsmd.org/departments/transportation/rules/>. Atención: los estudiantes no deben llevar en el autobús animales, alcohol, tabaco, armas (incluidas las de juguete o de "imitación"), recipientes de vidrio ni explosivos.

El transporte de estudiantes solamente puede funcionar eficazmente si todos hacemos lo que debemos para que funcionen las cosas. Se necesita la ayuda y cooperación de los padres para ofrecer un sistema de transporte seguro a los estudiantes.

Atentamente,

Steven D. Wise
Acting Depot Manager

What You Should Know About Riding the Bus

Montgomery County Public Schools (MCPS) provides bus service for:

- Elementary school students living more than 1 mile of walking distance from the school. *
- Middle school students living more than 1.5 miles of walking distance from the school. *
- High school students living more than 2 miles of walking distance from the school. *
- Students who face hazardous walking conditions regardless of distance from school (multilane highways, construction areas, etc.) as determined by the MCPS Department of Transportation.
- Students in special education, magnet, gifted/talented, and some vocational/education programs that are not offered at the student's home school.

*A tenth of a mile may be added to establish a reasonable boundary.

Students

Students are responsible for their behavior and self-control on the bus and at bus stops at all times. Disorderly students can threaten the safety of all riders by distracting the bus operator making the bus ride to and from school an unpleasant and even intimidating experience for other students. Students are expected to obey the instructions of the bus operator just as they would follow instructions of teachers and school administrators.

Parents

Parents can help further the safety of all students by making sure their children know the bus rules and etiquette that help ensure safe, orderly, and pleasant bus trips. For elementary and middle school students, it is recommended that a parent or other adults wait at the bus stop with the students to monitor and supervise their behavior and help with any problems, such as a late bus.

Many routes are designed so that students do not need to cross a major roadway to use the bus. This is indicated on route descriptions by "RSO" (right side only) next to the bus stop notation. Parents should not allow their children to circumvent this safety measure by crossing the road to use a different bus stop if there is one on their side of the street. Parents should contact their depot manager if no bus stops on their side of the street.

The Community

Parents/guardians are responsible for their children on the way to the bus stop, at the bus stop, and on the way home from the bus stop. Children should arrive at their bus stop at least 5 minutes before the established pick-up time. Parents/guardians are responsible for their children once they arrive at the afternoon bus stop and should plan to meet the bus or arrange for a caretaker or other responsible adult to accompany the children safely home or to the child care provider. Parents/guardians should

instruct their children where to get off the bus and familiarize them with unique aspects of the bus stop or landmarks so that, prior to the first day they will ride the bus, the children will clearly know the stop where they should get off the bus.

Please note: Bus operators do not know all of the possible caretakers who might be picking up a student on a particular day, and are unable to match each child with a specific adult. When students get off the bus, they are entirely in the care of the parent/guardian or other caregiver. They are on their own to walk home if no parent/guardian or caregiver is present.

If you usually meet your child at the bus stop and cannot make it on a given day, call the school well before dismissal time and ask that your child be kept at school to be picked up rather than placed on the bus at the end of the school day.

The kindergarten teacher will discuss bus safety in detail during the first week of school. Following safety rules when boarding, riding, and getting off the bus is very important. Reviewing safety rules with your child will help to ensure bus safety.

If you want your child to be supervised by an adult while walking home from the afternoon bus stop, we recommend the following:

- Plan for you or another caregiver to be at the bus stop ahead of the normal drop-off time, as the bus may arrive early on any given day.
- Plan in advance for another adult who is normally at the bus stop to care for your child if you are not there.
- If you have an emergency and cannot make it to the bus stop, call the school well before dismissal time, so your child will be kept at school for pickup rather than put on the bus. Be sure you always have the school phone number with you in case of the emergency.
- Be sure your child knows and can identify the proper bus stop and understands not to get off the bus at any other stop.
- Arrange for an older student “buddy” to walk home with your child, or allow your child to stay at the older student’s house until you are able to pick up your child. Be sure to work with the other student’s parent/guardian when arranging this plan.
- Be sure your child knows to tell the bus driver, before getting off the bus, if something is “not right.” This includes a parent/guardian or caregiver who is usually at the stop not being visible; missing the stop; or getting on the wrong bus and not recognizing any stop or familiar adults.

Once the student gets off the bus, only you can ensure your child is appropriately supervised.

At the bus stop, students are expected to:

- Arrive 5 minutes before the scheduled time.
- Maintain an orderly line in preparation to board the bus promptly, without shoving or pushing.
- Stay out of the roadway.
- Be considerate of nearby yards, driveways, houses, buildings, and private property.
- Move toward the bus only after it stops and the driver has signaled that it is safe.

On the bus, students are expected to:

- Behave appropriately, just as if they were in a classroom.
- Keep the aisle and emergency door clear of obstructions.
- Keep their arms, feet, and head inside the bus at all times.

- Be seated and make room for others to sit as well. Once ridership has been adjusted at the beginning of the school year, standing is not permitted.
- Discard trash in appropriate containers.

On returning home, students are expected to:

- Walk 10 feet in front of the stopped bus, if they must cross the road, and only cross after the bus operator has indicated that it is safe.
- Refrain from trying to direct traffic upon leaving the bus.

At all times, students may not:

- Bring animals, alcohol, drugs, tobacco, weapons, glass containers, or explosives on the bus.
- Use vulgar language or gestures, fight, or engage in sexual harassment or other improper and/or illegal conduct.
- Throw any papers or objects in the bus or out the windows.
- Operate the emergency exits without permission unless it is an emergency.
- Smoke, drink, eat, or play radios without headphones.
- Damage or deface any part of the bus.
- Ride a different bus than the one they have been assigned to, unless they have written permission from a parent and permission from the principle.

Lo que debe saber sobre el transporte en autobús

Las Escuelas Públicas del Condado de Montgomery (Montgomery County Public Schools - MCPS) proporcionan servicio de transporte para:

- Estudiantes de escuela elemental que viven a más de 1 milla de distancia a pie de la escuela. *
- Estudiantes de la escuela intermedia que vivan a más de 1,5 millas de distancia a pie de la escuela. *
- Estudiantes de educación secundaria que vivan a más de 2 millas de distancia a pie de la escuela. *
- Estudiantes que enfrentan condiciones peligrosas para caminar sin importar la distancia de la escuela (autopistas de varios carriles, áreas de construcción, etc.) según lo determine el Departamento de Transporte de MCPS.
- Estudiantes inscritos en programas de educación especial, mágnnet, alto potencial y talento (Gifted & Talented) y en algunos programas vocacionales que no se ofrecen en la escuela local del estudiante.

* Puede añadirse un décimo de milla para establecer un límite razonable.

Estudiantes

Los estudiantes son responsables por su propio comportamiento y autocontrol, tanto dentro del autobús como en las paradas del autobús en todo momento. Los estudiantes conflictivos pueden poner en peligro la seguridad de todos los pasajeros al distraer al conductor del autobús, convirtiendo el viaje de ida y vuelta en una experiencia desagradable e incluso intimidatoria para los demás estudiantes. Se espera que los estudiantes obedezcan las instrucciones del conductor del autobús del mismo modo que seguirían las instrucciones de los profesores y administradores de la escuela.

Padres

Los padres pueden contribuir a la seguridad de todos los estudiantes asegurándose de que sus hijos(as) conocen las normas y el protocolo que garantizan que los viajes en autobús sean seguros, ordenados y agradables. Para los estudiantes de escuela elemental y escuela intermedia, se recomienda que uno de los padres u otro adulto espere en la parada del autobús con los alumnos para vigilar y supervisar su comportamiento y ayudar en caso de que surjan problemas, como que el autobús llegue tarde.

Muchas rutas están diseñadas para que los estudiantes no tengan que cruzar una carretera principal para utilizar el autobús. Esto se indica en las descripciones de las rutas con "RSO" (right side only, en inglés o sólo en el lado derecho, en español) junto a la anotación de la parada de autobús. Los padres no deben permitir que sus hijos(as) eludan esta medida de seguridad cruzando la calle para utilizar una parada de autobús diferente si hubiera una en su mismo lado de la calle. Los padres deben ponerse en

contacto con el responsable de su parada si ningún autobús tiene una parada en su propio lado de la calle.

La Comunidad

Los padres/guardianes tienen la responsabilidad de sus hijos(as) de camino a la parada del autobús, en la parada y de camino a casa desde la parada del autobús. Los niños deben llegar a su parada de autobús al menos 5 minutos antes de la hora de recogida previamente establecida. Los padres/guardianes son responsables de sus hijos(as) una vez que llegan a la parada de autobús de la tarde y deben planear reunirse con el autobús o hacer arreglos para que un cuidador u otro adulto responsable acompañe a los niños de forma segura a casa o hasta el proveedor de cuidado infantil. Los padres deberán darles instrucciones a sus hijos(as) para que sepan dónde deben bajarse del autobús y deberán familiarizarlos con los aspectos característicos de la parada del autobús o puntos de referencia para que antes del primer día que viajen en el autobús, los niños sepan claramente en qué parada del autobús deben bajarse.

Atención: los operadores de los autobuses no conocen a todos los posibles cuidadores que podrían recoger a un alumno en un día concreto y no pueden asociar a cada niño con un adulto específico. Cuando los estudiantes se bajan del autobús, ellos quedan totalmente al cuidado del padre/madre/guardián o de otra persona que los cuida. Ellos se quedan solos para caminar a su casa si su padre/madre/guardián o la persona que los cuida no está presente.

Si suele recoger a su hijo(a) en la parada del autobús y no puede hacerlo un día determinado, llame a la escuela mucho antes de la hora de salida y pida que dejen a su hijo(a) en la escuela para que lo recojan, en lugar de subirlo al autobús al final de la jornada escolar.

Durante la primera semana de clases, el maestro(a) de kindergarten explicará detalladamente a los estudiantes las medidas de seguridad que deben observar en los autobuses escolares. Es muy importante obedecer las reglas de seguridad al subir, durante el viaje, y al bajar del autobús. Repasar con su hijo(a) las reglas de seguridad ayudará a que su hijo(a) viaje seguro en el autobús escolar.

Si usted desea que su hijo(a) esté supervisado(a) por un adulto mientras camina a casa desde la parada del autobús por la tarde, le recomendamos lo siguiente:

- Haga planes para que usted u otra persona que provea cuidados esté en la parada del autobús con antelación al horario normal en que el autobús deja al estudiante en la parada, ya que algún día el autobús podría llegar temprano.
- Planee con anticipación para que otro adulto que normalmente está en la parada del autobús cuide a su hijo(a) si usted no está allí.
- Si usted tiene una emergencia y no puede llegar a tiempo a la parada del autobús, por favor llame a la escuela con suficiente anticipación a la hora de salida, para que su hijo(a) permanezca en la escuela para sea recogido(a), en vez de ponerlo(a) en el autobús. Asegúrese de tener siempre el número de teléfono de la escuela con usted en caso de emergencia.
- Asegúrese de que su hijo(a) sepa y pueda identificar la parada correcta del autobús, y que entienda que no debe bajarse del autobús en ninguna otra parada.
- Pídale a un "compañero" mayor que le acompañe a casa, o deje que su hijo(a) se quede en casa del estudiante mayor hasta que usted pueda recogerlo(a). Asegúrese de ponerse de acuerdo con el padre/madre/guardián del otro estudiante al hacer arreglos para este plan.
- Asegúrese de que su hijo(a) sepa que, antes de bajarse del autobús, debe comunicarle al chofer si hay algo que "no está bien". Esto incluye si no ve al padre/madre/guardián o la persona que

normalmente está en la parada del autobús; si se pasó de parada; o si está viajando en el autobús equivocado y no reconoce ninguna de las paradas o no ve a personas adultas conocidas.

Una vez que el estudiante se baje del autobús, únicamente usted puede asegurar que su hijo(a) esté supervisado adecuadamente.

En la parada del autobús, los estudiantes deben:

- Llegar 5 minutos antes de la hora prevista.
- Mantener una fila ordenada preparándose para subir al autobús con prontitud, sin empujones.
- Mantenerse fuera de la calzada.
- Ser respetuosos(as) con los jardines, entradas de vehículos, casas, edificios y propiedades privadas cercanas.
- Acercarse al autobús sólo cuando se detenga y el conductor le haya indicado que es seguro.

En el autobús, se espera que los estudiantes:

- Se comporten debidamente, como si estuvieran en un aula.
- Mantengan el pasillo y la puerta de emergencia libre de obstrucciones.
- Mantengan los brazos, los pies y la cabeza dentro del autobús en todo momento.
- Se sienten y dejen sitio para que los demás se sienten también. Una vez que se haya establecido el número de viajeros al comienzo del curso escolar, no se permite ir de pie.
- Desechen la basura en los contenedores adecuados.

Al volver a casa, los estudiantes deberán:

- Caminar 10 pies delante del autobús parado, si deben cruzar la carretera, y sólo cruzar después de que el operador del autobús haya indicado que es seguro.
- Abstenerse de intentar dirigir el tráfico al bajar del autobús.

En todo momento, los estudiantes no podrán:

- Llevar animales, alcohol, drogas, tabaco, armas, envases de vidrio o explosivos en el autobús.
- Utilizar lenguaje o gestos vulgares, pelearse o participar en acoso sexual u otras conductas impropias y/o ilegales.
- Arrojar papeles u objetos en el autobús o por las ventanillas.
- Accionar las salidas de emergencia sin permiso, a menos que se trate de una emergencia.
- Fumar, beber, comer o poner la radio sin auriculares.
- Dañar o estropear cualquier parte del autobús.
- Viajar en un autobús diferente al que se les ha asignado, a menos que tengan permiso por escrito de uno de los padres y permiso del director.

MONTGOMERY COUNTY PUBLIC SCHOOLS 2023–2024 CAFETERIA NEWS and MEALS INFORMATION

Children need healthy meals to learn. The Division of Food and Nutrition Services (DFNS) serves more than 21 million meals annually. We support healthy meal options for students and continually explore new ways to enhance the nutritional contribution and student acceptability of meals.

Parents/guardians are responsible for school cafeteria account balances incurred by their student(s). Payment is expected, in cash or through prepayment to the student's school cafeteria account, at the point of sale at the time of purchase, or through an online prepayment system at any time. The cafeteria continues to offer the convenience and flexibility of a computerized cash register system. Depositing funds into a cafeteria account eliminates the need for a child to carry money every day. **All Students now use their MCPS Student Identification Number to access their account** (Schools may also utilize barcodes on student ID cards or elementary meal cards which may be scanned at the register). Any money left on a student's account from the prior school year is available for spending. Pre-payments to a student's account may be made prior to the start of school.

To make a prepayment:

- Use [MySchoolBucks.com](https://www.myschoolbucks.com), an online service to make a prepayment using a credit card. Parents can also check meal account balances, sign up for recurring payments and much more. Go to [MySchoolBucks.com](https://www.myschoolbucks.com) to register.
- Complete the form below and include a check or money order payable to the cafeteria. See check acceptance policy below.

To request a refund or a balance transfer for a student no longer enrolled in MCPS, email DFNSHelpDesk@mcpsmd.org

Check Acceptance Policy: Checks used to pay for meals must contain: name, address, phone number and student ID number. Returned checks are subject to recovery for the face value and Maryland State allowed fee of \$25 through an electronic debit or paper draft to the same account. Your payment by check constitutes your acceptance of these terms. If you have any questions concerning our check acceptance policy, please call CHECKredi at 1-800-239-1222.

MCPS Meals Policy

Board *Policy JPH, School Food and Nutrition Services Program* outlines programs and efforts to address childhood hunger in Montgomery County, meal payment procedures, and the repayment of negative balances incurred by students in the cafeteria. For more information please visit our website.

This institution is an equal opportunity provider.

MEAL PRICES

- **Breakfast Meal \$1.30**
- **Elementary School Lunch Meal \$2.55**
- **Middle and High School Lunch Meal \$2.80**

Children in Maryland that are approved for reduced-price meals will not be charged the cost of meals.

A LA CARTE FOODS AND BEVERAGES AVAILABLE FOR PURCHASE IN ADDITION TO BREAKFAST AND LUNCH

A variety of a la carte items may be available in your student's school cafeteria. All items available for sale follow [JPG-RA, Wellness: Physical and Nutritional Health](#). Specific items vary at each school. For specific information regarding items available at your child's school or to restrict the purchase of a la carte items, please contact your school cafeteria manager.

FREE AND REDUCED-PRICE MEAL APPLICATIONS

Families who meet certain federal income standards are eligible for free or reduced-price meal benefits. All children use their student ID number so confidentiality is maintained and no child is overtly identified as receiving free or reduced-price meals. Households are encouraged to **apply online at [MySchoolApps.com](https://www.myschoolapps.com) as processing times are significantly decreased.** A paper application may also be requested from your child's school. Only one application is needed for all students in a household. A new application must be completed annually.

ESCUELAS PÚBLICAS DEL CONDADO DE MONTGOMERY 2023–2024 NOTICIAS E INFORMACIÓN DE COMIDAS DE LA CAFETERÍA

Los niños necesitan comidas saludables para poder aprender. La División de Servicios de Alimentos y Nutrición sirve más de 21 millones de comidas anualmente. Nosotros apoyamos opciones de comidas saludables para los estudiantes y continuamente exploramos nuevas formas de mejorar el contenido nutricional y la aceptación de las comidas por parte de los estudiantes.

Los padres/guardianes son responsables por los saldos de la cuenta de cafetería escolar incurridos por su(s) estudiante(s). Se espera el pago, en efectivo o mediante prepago a la cuenta de la cafetería escolar del/de la estudiante, ya sea en el punto de venta al momento de comprar, o a través de un sistema de prepago en línea, en cualquier momento. La cafetería continúa ofreciendo la flexibilidad y conveniencia de un sistema de caja registradora computarizada. Depositar fondos en una cuenta de la cafetería elimina la necesidad de que el/la estudiante tenga que traer dinero a la escuela todos los días. **Todos los estudiantes ahora usan su número de identificación de estudiante de MCPS para acceder a su cuenta** (las escuelas también pueden utilizar los códigos de barras en las tarjetas de identificación de los estudiantes o en las tarjetas de comidas de primaria que se pueden escanear en la caja registradora). Cualquier dinero que quede en la cuenta de un/a estudiante del ciclo escolar anterior, está disponible para gastar. Se pueden hacer pagos por adelantado a la cuenta del/de la estudiante antes del comienzo del ciclo escolar.

Para pagar por adelantado:

- Use [MySchoolBucks.com](https://www.myschoolbucks.com), un servicio en línea que se usa para hacer pagos por adelantado usando una tarjeta de crédito. Los padres también pueden revisar el saldo de la cuenta de comida, inscribirse para hacer pagos recurrentes y mucho más. Ingrese a [MySchoolBucks.com](https://www.myschoolbucks.com) para inscribirse.
- Complete el formulario a continuación e incluya un cheque o giro postal a nombre de la cafetería. Consulte la política de aceptación de cheques que aparece más abajo.

Para solicitar un reembolso o una transferencia de saldo para un estudiante que ya no está inscrito en MCPS, envíe un correo electrónico a DFNSHelpDesk@mcpsmd.org

Política de aceptación de cheques: Los cheques utilizados para pagar las comidas deben contener: nombre, dirección, número de teléfono y número de identificación del/de la estudiante. Los cheques que sean devueltos serán recuperados por el valor nominal, más la tarifa de \$25 permitida por el estado de Maryland para ser retirada de la misma cuenta mediante un débito electrónico o un giro bancario. Al efectuar su pago por cheque, usted confirma su aceptación de estos términos. Si usted tiene cualquier pregunta con respecto a nuestra política de aceptación de cheques, por favor llame a CHECKredi, teléfono 1-800-239-1222.

Política de comidas de MCPS

Política JPH: Programa de Servicios de Alimentos y Nutrición describe programas y esfuerzos para abordar el hambre infantil en el condado de Montgomery, procedimientos de pago de comidas y el reembolso de saldos negativos incurridos por estudiantes en la cafetería. Para más información, por favor visite nuestro sitio web.

Esta institución brinda igualdad de oportunidades en la prestación de servicios.

Los cheques que se usen para pagar por las comidas escolares deben incluir una dirección y un número de teléfono. Por favor incluya el nombre, apellido y número de estudiante de su hijo en el frente del cheque. Este cheque es ÚNICAMENTE para compras en la cafetería. Por favor enumere a cada estudiante por separado y entregue su pago al administrador de la cafetería. ¡Gracias!

COMIDAS Y BEBIDAS A LA CARTA DISPONIBLES PARA LA COMPRA ADEMÁS DEL DESAYUNO Y EL ALMUERZO

Podrá haber una variedad de comestibles a la carta disponibles en la cafetería de la escuela de su hijo. Todos los comestibles disponibles para la venta cumplen con *JPG-RA. Bienestar: Salud Física y Nutricional*. Los comestibles específicos varían por escuela. Para información específica sobre los comestibles disponibles en la escuela de su hijo o para restringir la compra de los artículos a la carta, por favor comuníquese con el administrador de la cafetería de su escuela.

SOLICITUDES PARA COMIDAS GRATIS O A PRECIO REDUCIDO

Aquellas familias que reúnen ciertos estándares federales de ingresos son elegibles para recibir beneficios de comidas gratis o a precio reducido. Todos los estudiantes utilizan su número de estudiante para mantener su privacidad y para que ningún estudiante sea abiertamente identificado como estudiante que recibe comidas gratis o a precio reducido.
