MEMORANDUM

To: Members of the Board of Education
From: Jack R. Smith, Superintendent of Schools
Subject: Honors Health Course Offered During Summer 2020 (05-28-20-03)

Question

During the Montgomery County Public Schools Recovery of Learning Plan discussion, Mrs. O'Neill requested information regarding the possibility of offering Honors Health during the summer to secondary school students.

Response

As part of the Montgomery County Public Schools (MCPS) summer program offerings in summer 2020, MCPS Virtual Summer School is offering Comprehensive Health Education for secondary students at the honors level. Specific information about summer program offerings is available on the [web site](#).
