Month of the Young Child

New programs, trainings and procedures are in store for the Judy Center at Summit Hall as we celebrate the Month of the Young Child!

In an effort to serve all the families on our waiting list, we will offer two new classes: toddler soccer and open park play. We will also introduce our attendance policy and new referral procedures. We hope to identify more families residing in our area who desire to join the Judy Center and grow as their child's first teacher.

PreK Registration will begin onsite on April 28th. Families are encouraged to call to make an appointment. All applicants will receive an educational toy and book from the Judy Center.
