

Eagle News - Pre-K

May 2019

Literacy

This month, in literacy, we are completing the theme: Nature All Around Us. The students will continue to demonstrate an understanding of basic features of print and text information. Students have learned to recognize upper and lower case letters of the alphabet and continue to work on letter sounds. Our goal is for all students to be able to identify all 52 letters and their sounds. They are also identifying words in sentences. We are writing sentences and working on guided reading. Rhyming is a concept we focus on daily, as well as, answering questions, and having conversations.

Math

This month, in math, the students will identify written numerals 0-100. They will verbally count to 10 by ones and then develop rote counting to 100 by ones. Our goal is to have all students count to 100 and identify all the numerals from 1-100. Students will also be identifying 2 dimensional and 3 dimensional shapes, sorting, measuring, and comparing lengths. We will also be working on addition, subtraction and addition and subtraction word problems.

Upcoming Dates

- National Military Appreciation Month**
- May 1-School Principal's Day**
- May 3-8:45-25 Book Eagles**
- May 5-Cinco de Mayo**

Counselor's Corner May 2019

Hello Glen Haven Parents and Guardians,

I would like to say "THANK YOU" to all of the Glen Haven Community for making our Career Day and STEAM Day a great success. Without the Career Day speakers and STEAM Day volunteers, this day would not have been possible. I know that many of you had to take the day off from work and that is truly appreciated. The students learned a lot about the world of work and had fun doing hands-on activities learning about science, technology, engineering, art, and math.

PARCC will be given to 3rd, 4th, and 5th graders during the end of April and throughout the month of May. In order to prepare for the test, please make sure that your child gets enough sleep, eats breakfast each day, and arrives to school on time (8:40 a.m.).

Monthly Parent Connection:

Gossip about your kids. Fact: What we overhear is far more potent than what we are told directly. Make praise more effective by letting your child "catch" you whispering a compliment about him to Grandma, Dad, or even his teddy. (*"Parents": 50 Easy Ways to be a Fantastic Parent*)

Have a wonderful May!
~Rebecca Willis
School Counselor
