# School Improvement Plan

## Literacy

**District Literacy Goal (from MCPS Strategic Plan):** By the end of the 2025 school year, 90% of all students will be meeting the Evidence of Learning in Literacy, with an Academic Achievement Component Overall score of 2.6 on the Equity Accountability Model.

**School Literacy Goal (ALL 32%, Latine 16%)**

By the end of the 2023-2024 school year, at least 21% of Latine/Hispanic students will meet evidence of learning literacy, with a proficiency score of 3 or higher on the MCAP assessment. (from 16%-21%).

**Gap Reduction Goal Projected Individual Student Growth:**

By the end of the 2023-2024 school year, at least 30% of all EML students will show growth in making progress toward learning English on MCAP WIDA ACCESS for ELLs. (from 23%-28%).

## Math

**District Math Goal (from MCPS Strategic Plan):** By the end of the 2025 school year, 90% of all students will be meeting the Evidence of Learning in Math, with an Academic Achievement Component Overall score of 2.6 on the Equity Accountability Model.

**School Math Goal**

By the end of 2023-2024, at least 10% of African American and Latine/Hispanic students will meet proficiency on MCAP with a score of 3 or 4 (AA from 8%-13% and L from 1% to 6%).

**Individual Student Growth Goal**

By the end of 2023-2024, **at least** 51% of African American and 61% of Latine/Hispanic students will **exceed** their individual projected growth goals on the Measurement of Academic Progress in Math (MAP-/M) assessment. (from 47 to 51% AA and 56 to 61% from Fall to Winter administration).

# School Improvement Plan

## Culture/Climate

**School Culture/Climate Goal:** This includes the adaptive work identified through your RCA. It is directly connected to the school's deep culture.

- By June 2024, at least 76%(from 71%) of students will report having at least 1 adult they trust in the building, and at least 70%(from 65%) of students will report that they get the support they need to manage their emotions while in the classroom.
- By June 2024, at least 60% percent of staff will report feeling hopeful/excited about work on the MCPS Staff Climate Survey (from 54% to 60%)

## Well-Being

**School Well-Being Goal:** This includes a technical challenge that is reflective of behaviors. The behaviors are a manifestation of the deep cultural challenge.

By June 2024, we will decrease the percentage of referrals and suspensions for African-American and Latine/Hispanic students from 18% to 15%.  
By June 2024, we will decrease the percentage of chronic absenteeism for African-American and Latine/Hispanic students from 26% to 21%.
